

NAMC Cultural Competence Initiative

Organizational Structure

Vision:

Monterey County communities, living and working together, respectful of and strengthened by their cultural knowledge and diversity.

Mission:

To inspire and cultivate understanding, acceptance and appreciation for diverse world views, through policy, advocacy, capacity.

Role of Core Leadership Committee:

As the governing body of the Cultural Competence Initiative, responsible for setting direction, making policy and program decisions.

Role of Steering Committee:

To facilitate a public planning process for the development of a strategic plan that promotes cultural proficiency among business and service sectors. (Work to be processed and integrated through the NAMC Program Committee.)

Role of the Blue Ribbon Committee:

To advise, provide feedback and review the work of the Steering Committee
